Rustic stone and wooden house, recently rebuilt. It dates of 1880.

Its 240 m2 are distributed in two floors. On the ground floor there are the kitchen, wide and fully equipped with any kind of electronic appliances like for example dishwasher, microwaves, etc. One of the bathrooms, with a wide bath. The living room, reference point of the house, because its stove makes of this part of the house a nice and cozy place. An ideal corner for meetings and celebrations etc... from you can get into a beautiful yard, there is also a private parking of the house. The yard is ideal for resting and practicing sports.

Next to the yard there is a nice garden with the pertinent furniture, green area, flowers and fruit trees. Inside there is also a game area for the children. On the first floor there are the four bedrooms, three of them are double and one of marriage. These have balcony with wonderful view. There is also a wide bathroom in this floor and perfectly equipped.
