Stone house rebuilt in September of 2007, keeping the outside structure. The house is distributed in two floors.

On the ground floor we have a wide living room, kitchen and living room all in the same stay. The kitchen is fully equipped with: dishwasher, washing machine, small electronic appliances (coffee machine, toaster, microwave, etc) and furniture. The living room, with TV, is very cozy. There is also a full bathroom and a wide bedroom with double bed.

On the second floor we have: 3 bedrooms (one with double bed, other with two beds of 1,05 and other with 2 beds of 90) and other full bathroom.

We have cot for babies.

In the entrance of the house there is a stone bench where you can sit down and talking or having the fresh air in the doors of the house, like our grandparents did.

Touristic information and of activities of the area is given.
