Correo: booking@ekotravel.net

A cottage of responsible tourism, fully auto sufficient with renewable energy. It is designed and rebuilt with bioclimatic criterion, bio building, geobiology and FENG_SHUI. The house is located in an extreme beauty place, it is surrounded by autochthone forest and mountains. 5 double bedrooms with bathroom (1 it is accessible for disabled). We have 1 wide bedroom with FIREPLACE. The cleaning of the stays is made daily, included in the price. The housing is by rooms, Alberta makes the homemade meals and with care for you enjoy it, in Summer in Autumn with products of the ecologic orchard. Kitchen based in local and ecologic products. Patxi looks after the maintenance of the facilities and collaborate in the attention of the guest and internet. Living room and library to your disposal to enjoy of the reading. We invite to the guests to smoking inside the house. You can walk through the forest, among the monumental oaks of Jauntsarats, feeling respect that during decades the women and men of Basbuna have had for this nature, for this magic Valley. You only can have a look this land and clear your mind. Visit our BLOG: www.casauralecologica.es

Actividades

Depends of the season you can collect mushrooms, chestnuts, walnuts, blueberries, chamomile, or see squirrels, foxes, roe deer, in the forest and sheep, cows, pigs and horses in the meadows of our neighbors.

The house is located 35 km from Pamplona in the Valley of Basaburua, among the Valleys of the Ulzama and Larraun (Mountain chain of Aralar).

In November 2010 release chicken coop: 14 chickens and 1 cock... we feed them with organic feed... we do not know if they are happy but they seem to be: for us is a pleasure collecting its eggs!!!

LUPO is as well, a hound dog and ALEXANDRA, a pony KARBONTXAINO, a cat: they all live outside the house.

Supplement bedroom just for a night: 12 Euros.

THE HOUSE CAN BE RENTED FULL: low season 500 € 2 NIGHTS (10 PEOPLE)
