It is full of light owing to its big Windows and its wide porch, it has four bedrooms, all of them with bathroom and with a cared decoration. One of the bedrooms and its bathroom are adapted for disabled people. The kitchen, fully equipped (oven-microwave, dishwasher, washing machine-drier, even cot for babies), is connected with a cozy living room with fireplace and warm sofas to chat. TV, books, magazines and tables games will make more pleasant your stay. The spacious garden with its swings, house of games and its barbecue will make the delicious for the smallest and the biggest ones. It has a private parking inside. Each bedroom has the name of a landscape of the village or of the holly tree of Garagüeta. Nordic Eiderdown to sleep warm and beautiful restored furniture in all the bedrooms. 1. "La Madrastra": You will love the combination of the sober and timeless stone, and the freshness of the white in furniture and complements, that it is also reflected in the bathroom which is adapted for disabled people. This bedroom is the widest one it is for three people because it has a comfortable divan of forge. 2. "El Pradillo": Attic bedroom, happy, relaxant and full of light owing to its South orientation. With a big and light bathroom that has bath. Full of close details. 3. "La Fragua" You will love the views of the endless fields and the centenary oak, while the sun waters the stay with its heat. Beautiful attic bedrooms, decorated in a rustic style, with marital bed and with a comfortable divan that can be used as cot or bed for children. From its toilet with shower, in a nice wine colour, you can watch the Mountain Chain Alba. 4. "El Rulaque": Let yourself pamper in the vain and cozy attic bedroom with two beds. It is also oriented to the South and with relaxing views to the village and to the tower of the church. It also has toilet with shower in an elegant honey colour.
