The rural house Estrela is located in the locality of San Martín de Trevejo, in the Mountain Chain Gata of Cáceres. It is a rebuilt building that offers the best facilities and with capacity to accommodate up to 10 people. All the details of its decoration are designed to make us feeling as we were in our own house, providing a comfortable and cozy environment where you can enjoy our stay. The house has the following spaces: •4 double bedrooms •Bathroom in each bedroom •Living-dining room •Equipped kitchen Besides, the house offers us: •TV •Wooden fireplace •Air conditioned cold-hot •Electrical appliances and tableware The village of San Martín de Trevejo is worth it to visit at least one day because it is declared Historical Artistic Set owing to its beauty and conservation conditions. If we walk along its streets, we will discover its stone and wooden facades, its palace-houses, the Main Square with wooden and granite porches and the Parish Church of the XVII century. Likewise, very close to the village we could enjoy the Mountain Chain Gata, of great biologic interest and with a big beauty in its landscapes that will seduce us when we go to meet it. Here we could do hiking, climbing and quad walks, mountain bike and 4x4 routes.
