Actividades

Etxeberri and Loperena are simple Rural Houses dedicated to rural tourism.

Our family carries out traditional farming activities typical of our area.

We would like to invite you to discover them with us. Come and share our daily tasks so that you can discover how we make a living and experience a traditional way of life.

We have designed a calendar so you can consult the activities available during your stay. We also indicate the time at which each activity takes place, so you can organise your stay.

Please count on us to carry out any activity. We will answer any query you may have. Ask us for help and we will be happy to advise you and guide you.

Recommendations for a sustainable activity:

- Be respectful with the animals, you never know how they may react.
- If you wish to feed the animals, first check with us. They may have already eaten and they are not always hungry.
- Not all plants look prettier in a flower vase. Please ask before picking anything.
- Wear comfortable clothing and footwear so you can move easily.
- Help take care of your surroundings and the environment. You can do a lot.
- Leave everything as you found it. Those who come after you would also like to enjoy it.
