1 km far away from El Raso, small village at the foot of the Mountain Chain Gredos, among fig trees and cherry trees in a privileged natural environment to get lost among its mounts, rivers and valleys. The Fig Tree of Sayuela has 3 COTTAGES AND 4 LUXURIOUS RURAL APARTMENTS. The houses are built with materials from the area: stone, wood and forge, with a rustic style. Our lodgings are located in a farm of more than 100.000 m2, in the South face of the Mountain Chain Gredos next to the Regional Park and the reserve, bordering with the Edge of Extremadura and the Valley of Tiétar. The farm El Higueral de la Sayuela is 1,5 km from the village El Raso and 3 km from Castro Celta, 2 km from the Gorge of Chilla and 3 km approximately from the Gorge of Alardos, area of natural pools suitable for the bath. The lodgings El Higueral de la Sayuela have wonderful views during the whole year to the Peak of the Moor Almanzor, the Brothers and the Reservoir Rosarito where the relax and the enjoyment are guaranteed. Ideal setting to spend some days and being in contact with the nature. Next to the lodgings a natural stream flows and they are surrounding by more than 1.000 hectares, 15.000 m2 of the green area and any kind of fruit trees inside the farm such as cherry trees, olive trees, orange trees, banana tree, pear trees, plum trees, peach trees, apricot trees, quince trees, kiwis, kakis, grapevines and an orchard with vegetables and legumes.
