Cómo llegar

It is located five minutes from the capital. Garray is the first village that we find in the road to Logroño N-111, if you come from Madrid in the diversion of Soria capital Logroño is marked, and it is not necessary getting into Soria. The house is in the same street than we get into the village, just in front of the fronton and we have a forge waiter who receives who comes close to our door, it is very well seen, safe trip.
