La Rectoria de Montclar is at the top of the old rectory. It has 150 m2 of surface and it is distributed into 4 bedrooms, 2 bathrooms, one fully equipped kitchen and a living room with fireplace. Besides it has garden with fireplace and in the village there is a place to play with the ball. Montclar is a typical mountain village with stone houses and surrounded by nature where you could have a walk or ride the bike, stopping in some farm to see the animals. 40 m far away from the lodgings there is a restaurant which cooks typical food of Berguedà: 'pèsols negres' and 'blat de moro escairat'. It is a very quiet village to disconnect from the routine in a natural environment.
