The house is located in tuesta (Alava), 2 km far away from Salinas de Añana. We are next to the church of the village (interesting place for being Romanesque art). Tuesta is a very quiet small village where you can isolate from the routine and have a rest. And if you prefer it, visit the different tourist places or walking along the awesome corners that surround us. Nice and quiet big house of 2 floors with wide gardens and terraces. Rebuilt as hotel in 2012. The facilities (house and gardens) have 1.100 square meters. Aside the rural hotel we have (200 meters far away) a small zoological core with a big variety of animals and exotic birds that we will show you happily. AS well as the ecological orchard. The rural house has been rebuilt to offer the service of rural hotel. Even so, the original structure is still alive to keep being integrated in the natural landscape. The hotel is built by 4 double bedrooms and a familiar one. All of them have bathroom, shower, television, fridge and wifi. Our goal is create a familiar and cosy environment so the Rural Hotel Amona has: *A wide dining room *A room with fireplace where you can enjoy reading or drinking a coffee. *Game room *Barbecue *Frog game *Playground *Habilitated area to bring pets (outside) *Furniture room, etc... BEDROOMS: We have 5 big bedrooms. 3 of them have access to a very wide terrace from where you can contemplate the awesome natural landscape that surrounds the hotel. Besides one of them is ready for families (marital bed + 2 children). Other bedrooms is habilitated for disabled people. All bedrooms are equipped with bathroom and shower, television, fridge and WIFI service.
